Welcome to the Dundas Studio Tour

Discover, at each location, inspiration drawn from new beginnings as **The Dundas Studio Tour "turns a new leaf!"** In 2011, our 14th year, we are welcoming three new studio locations. Amidst the changing fall hues of the Dundas Valley, celebrate fine craft with us. Enjoy our historic town as you stroll from studio to studio, talking with the artists and finding a treasure or two.

On Tour: Purchase creative works directly from our family of 30 artists while discovering how to enrich your life with art.

Each of our eight studios will offer a draw for a special handmade prize. For more information about our Tour, please visit www.dundasstudiotour.ca or call 905.627.8632

Friends ...

Home is where the art is in Dundas. The Dundas Valley School of Art was the training ground for many of our local artists. And the Carnegie Gallery, the cornerstone of our arts community, has nurtured the development of arts and crafts in Dundas for over 30 years. These two institutions have an exciting new renovated look for 2011.

We acknowledge and value the support of these Dundas restaurants, galleries and retailers. When you visit them, please mention that you're "on the Tour!" All addresses are in Dundas, unless noted.
